

## Back to basics

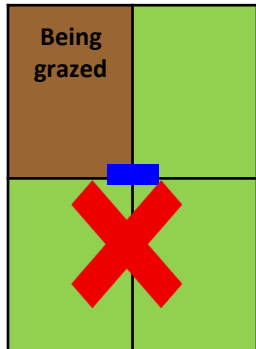

- Set your farm up to grow grass – **not silage**
- Rotational paddock grazing system
  - 7 – 9 paddocks per grazing group
- Paddock size adequate for herd size
- Paddock shape 2:1 (length: width)

*Each additional day at pasture is worth €2/LU*

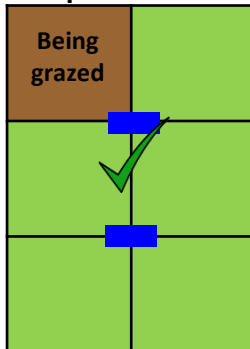

## Grazing in Wet Weather

- ✓ Right cover of grass
- ✓ Right paddock (drier)
- ✓ Right paddock shape
- ✓ Animals conditioned to graze
- ✓ Strip Grazing: Get On & Get Off

5+ day paddocks

3-4 day paddocks

2-3 day paddocks
