

NMP Online How to Archive Clients

Warning:

Once a plan is archived, the only way to access the client's plans again is by requesting the client be Un-Archived. Requests are made through Teagasc ConnectEd. There will be a financial cost to reinstating the Client or Clients back onto your system. **These are as follow's** €30 per batch/request for clients/client to be restored plus €2.00 per client. No restoring fee will apply where the restoring of archived clients results in the agency moving to the next ConnectEd Online fee bracket.

Why Archive Clients:

Users may wish to Archive client profiles they have created duplicates of by accident

Users may wish to archive test client profiles they created when they first started using the NMP

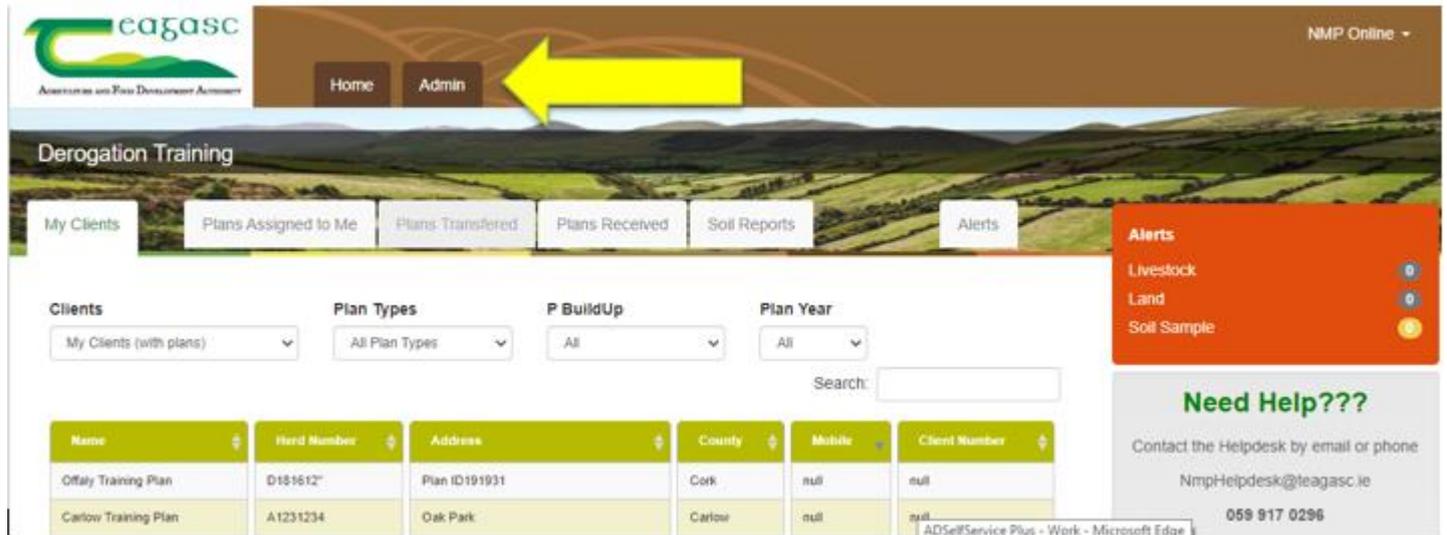

Users may wish to archive clients who have left their agency.
