

Signpost Farmers / Partners

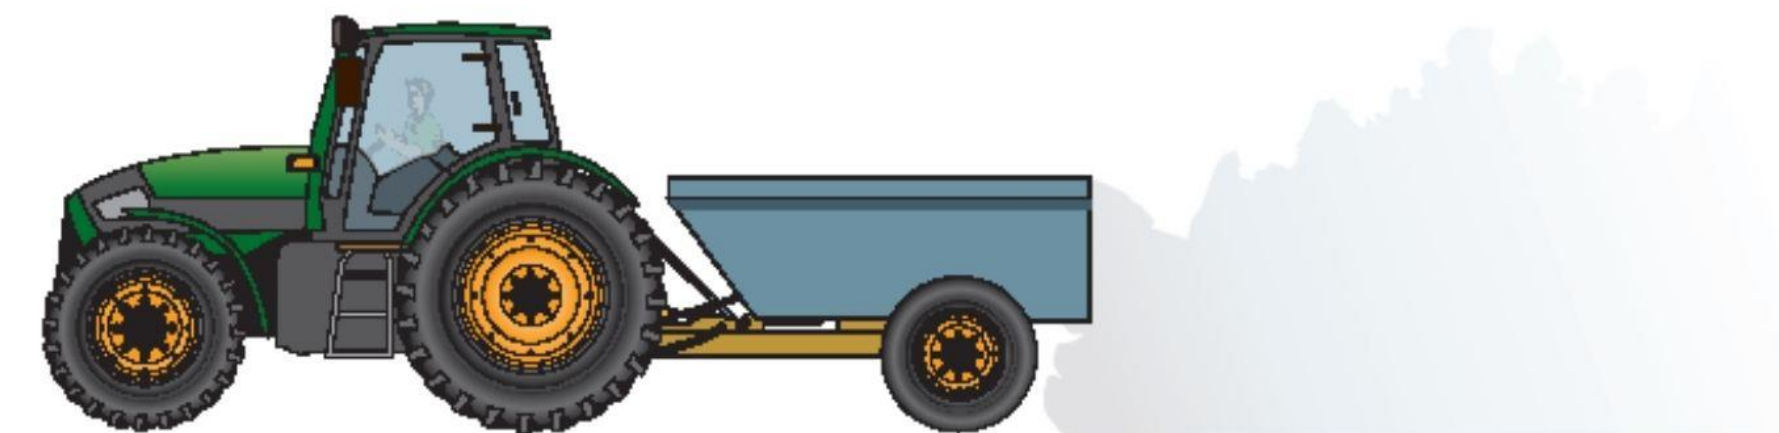

What can farmers do?

Buy healthy calves with good genetics (CBV)

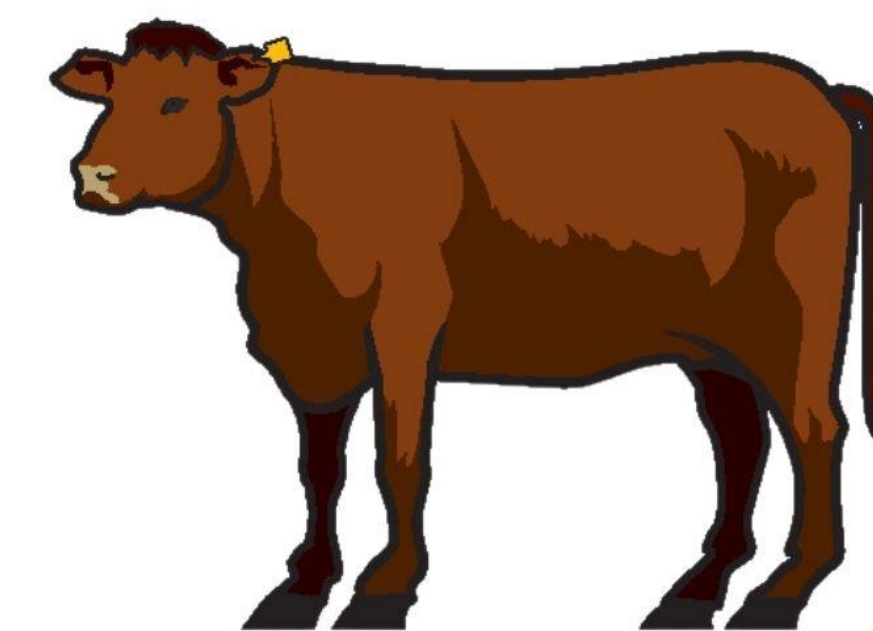

Use less N and switch to NBPT Urea

Apply lime & build/maintain soil fertility

Optimise grazed grass and make top quality silage

Reduce finishing age by one month

Supporting Action

What do I do?

1. Sign up for the free Signpost Advisory service.
2. Get to know the local Signpost farmer in your area.

The Signpost Programme is a collaborative partnership of farmers, industry and State Agencies, working together for climate action.

For further details of The Signpost Programme visit www.teagasc.ie/signpost
