1. **Important Note to all NMP Users: - Clear your cache today!**

    - CTRL+F5 for desktop or FN+F5 for laptops and if there is still issues; complete a full Clear Cache if issues still arise (delete browsing history all time)
    - Some users are experiencing issues with the mapping pages not loading or plots not drawing correctly. There has been an update to the ARCGIS server and users may have to update the graphic card if using an older computer. NMP Helpdesk cannot help in this regard and you will have to contact your IT support.
    - For any queries, please contact NMPHelpdesk@Teagasc.ie or 059 9170296

2. **What is GATE**

    Additional authentication enhances security by verifying user identity. It protects sensitive data, prevents unauthorized access, and reduces the risk of breaches. By implementing multiple authentication layers, users can ensure that only trusted individuals access the software, safeguarding personal and organizational information effectively. GATE is the new way of access for users to access Teagasc NMP online and Profit Monitor

3. **The key steps for Teagasc Users (inc. Walsh Fellows)**

    a. **How to register as Teagasc Advisor** (once done this will not have to be repeated):

    All users must first register for the new login system.

    Enter nmp.teagasc.ie or profitmonitor.teagsc.ie into the browser. (It is very important that all old links are deleted for NMP and new ones created.)

    All Staff will use their email and their laptop password to get access to NMP.
