OVERVIEW

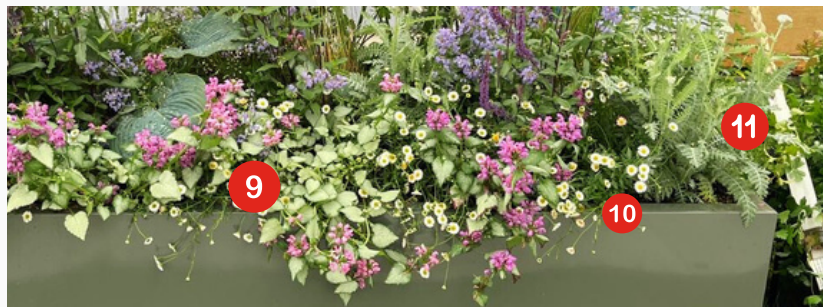

Ornamental Combinations

Sambucus nigra 'Black Lace' (1) presents dramatic plum foliage highlighted with dashes of *Geum* 'Tropical Tempest' (2) & *Dahlia* 'Mystic Sparkler' (3).

Warm bronze & purple toned foliage continues with *Persicaria* 'Red Dragon' (4) & *Heuchera* 'Midnight Rose' (5), contrasted by lush *Pulmonaria* (6), *Tiarella* (7) & *Acanthus hungaricus* (8).

Lamium 'Pink Chablis' (9) & *Erigeron karvinskianus* (10) offer a delicate combination, complimented by cool toned foliage including *Achillea* 'Moonshine' (11).

Pops of colour from *Osteospermum* Cape Daisy 'Maseru' (12) & *Salvia nemorosa* 'Ostfriesland' (13) are accented against vibrant foliage.

Edible Combinations

Highlighting the importance of Irish Produce & Crop Production, edible displays have been created by combining varieties of Allium, Cabbage, Fennel and Globe Artechoke, interplanted with various herbs & aromatics such as Basil & Rosemary. Height is added via Tomatoes & Squash, accented with pops of colour from flowering Chives & Marigolds (and some cheeky ferns...)
