

Land Suitability for Grassland and Tillage

(To accompany Soil Survey Bulletin No. 44)

This map is not suitable for site specific interpretation

Scale 1 : 100,000

0 2.5 5 10 Kilometres

100 Hectares

Suitability Classification: J. Diamond

Cartography: V. Staples

Geographic Information Systems: E. McDonald

Head of Programme for Crops, Environment and Land Use: N. Cullen

Urban / Water
U Urban
W Water

Suitability Class		Subclass Limitation* *
Grassland	Tillage
