

# A qualitative approach for the development of guidelines for part-time work roles on dairy farms

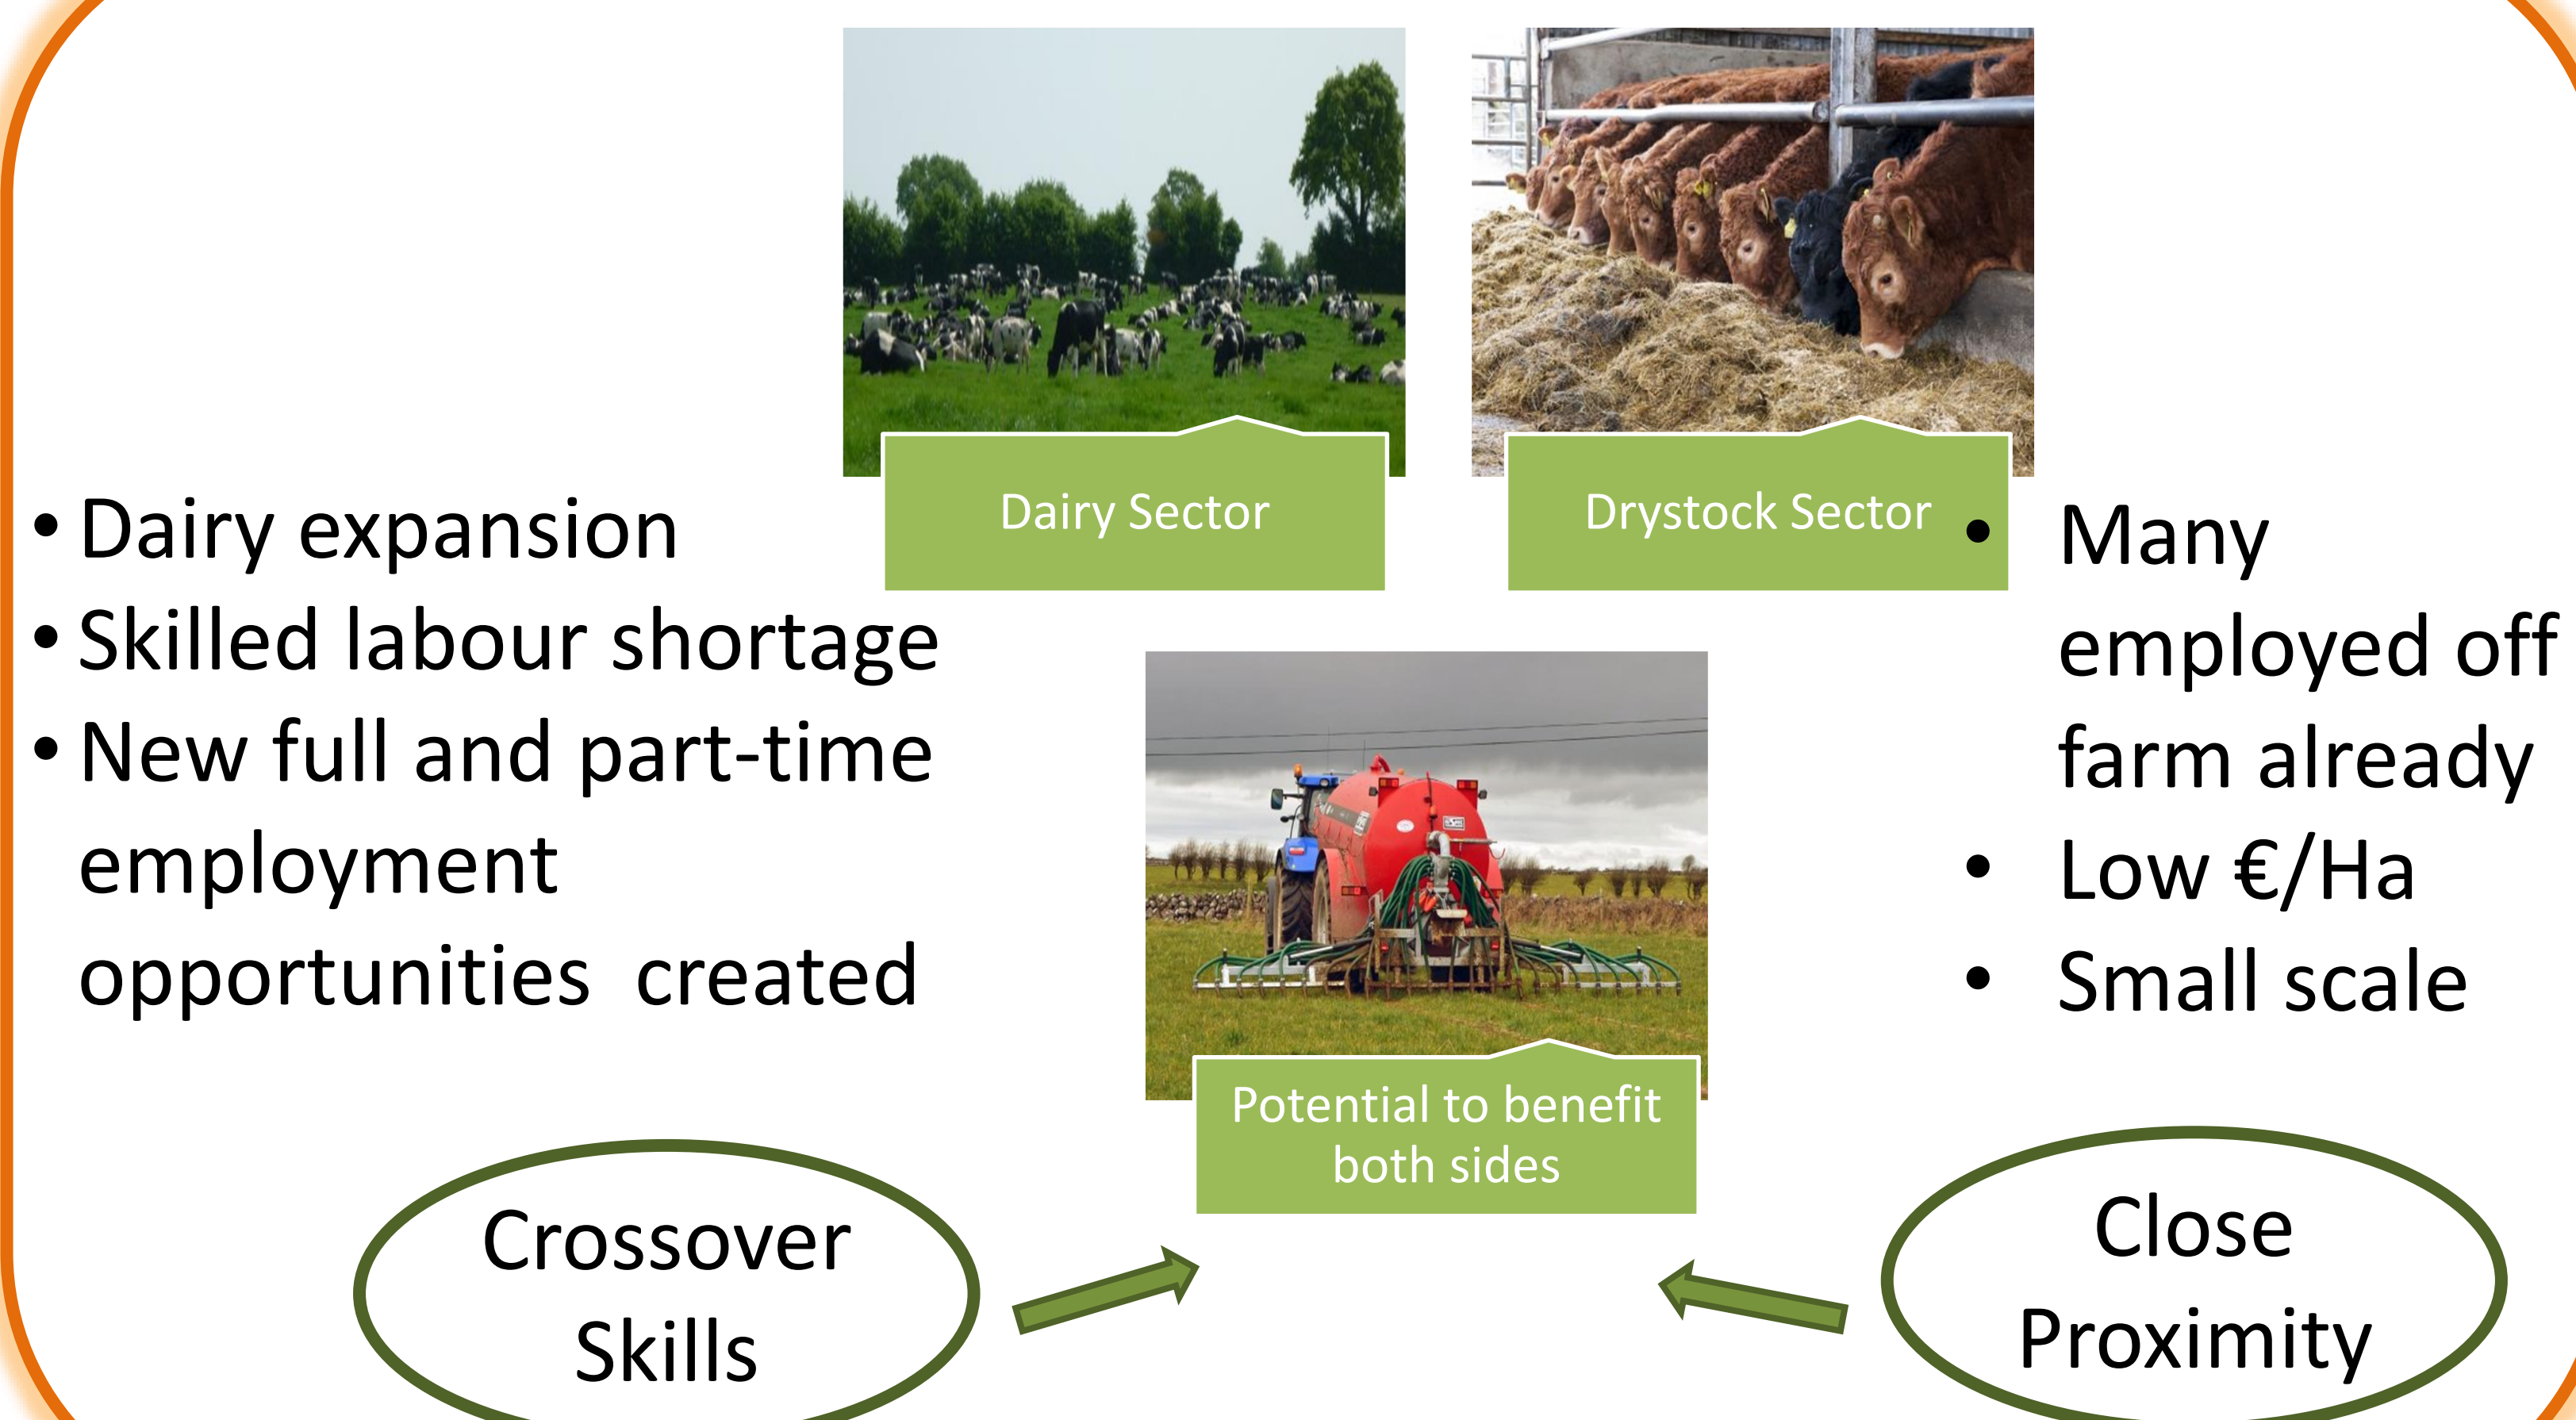

Eamonn O'Flaherty<sup>1</sup> Dr. James Breen<sup>2</sup> Dr. Joe Patton<sup>3</sup>

1. Teagasc Navan Advisory Office Co. Meath

2. School of Agriculture & Food Science UCD, Belfield, Dublin 4

3. Teagasc, Animal & Grassland Research and Innovation Centre, Grange, Dunsany, Co. Meath

## Study Rationale

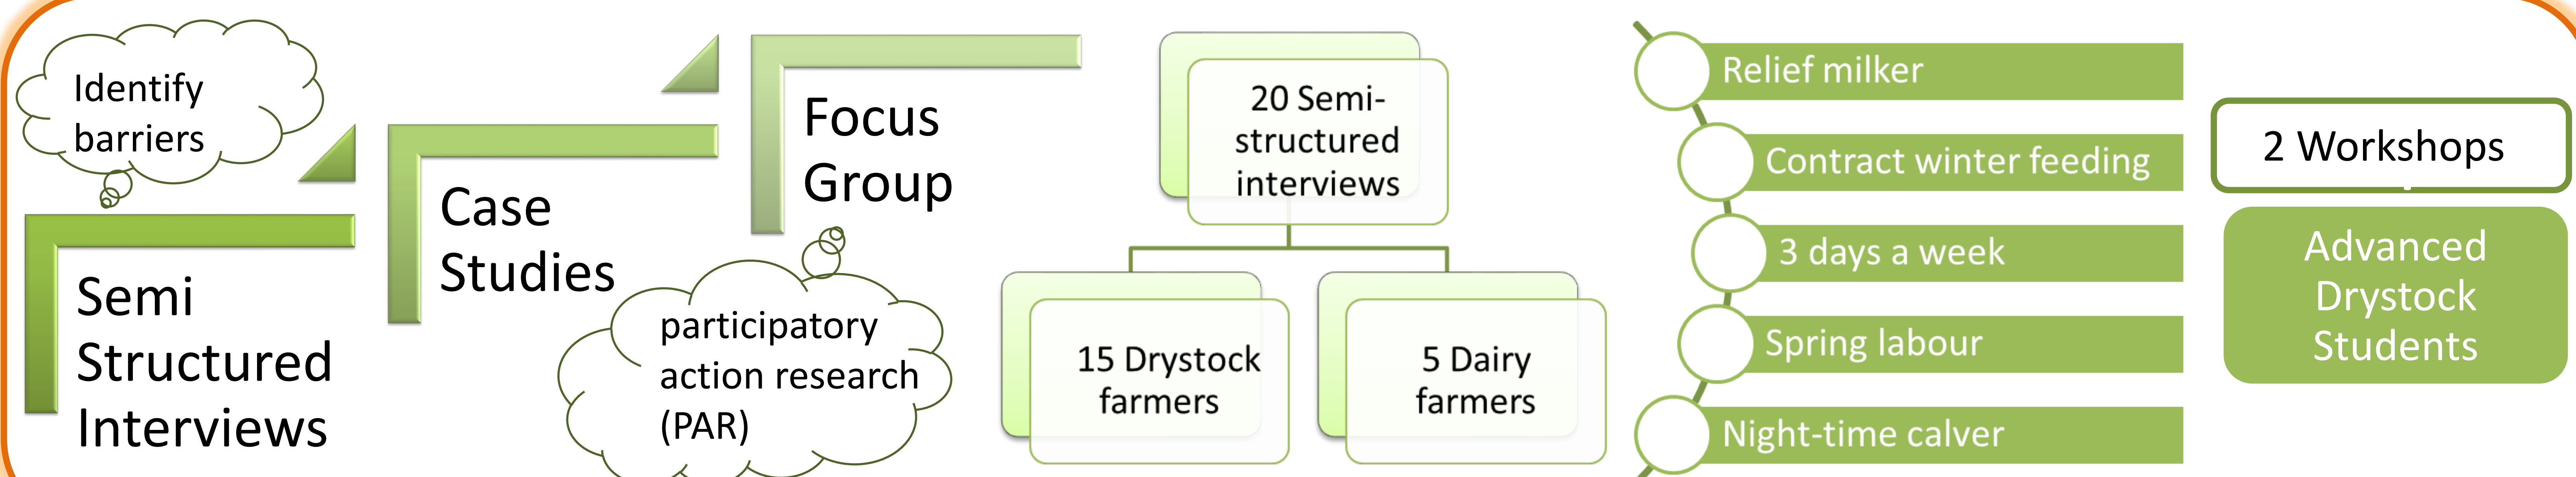

## Objectives

Identify barriers towards dairy farm employment

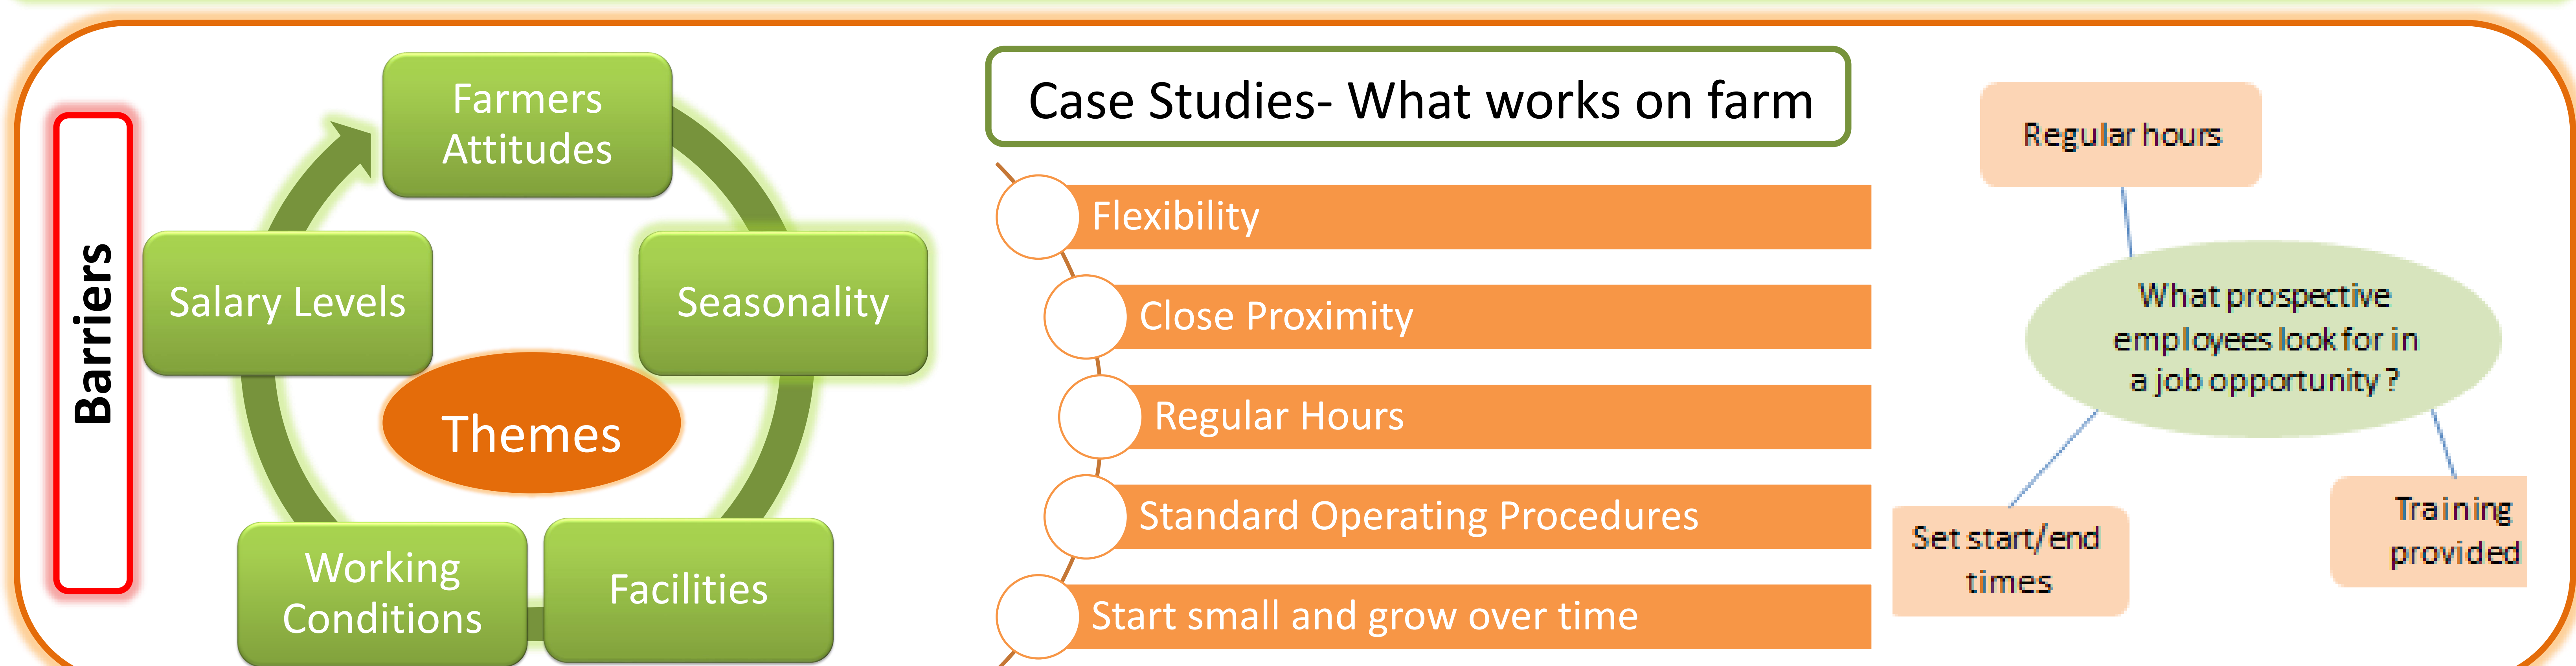

Examine current part-time employment scenarios

Develop guidelines for part-time work roles, through a co-creation process

## Methodology

## Findings

This project is funded by Teagasc through the Walsh Fellowship program
